

Dear Student/ parent/ guardian,

GCS Examinations

Y11 students have worked extremely hard during this exam period and have been an absolute credit to themselves and the Academy.

On the morning of Friday 15th June there is a GCSE Physics exam. This will end at around 10.45 a.m. (slightly later for students with additional time).

At this time students are allowed to leave the Academy site and make their own way home. Details about a celebratory assembly, distribution of hoodies and the 'Prom' will be given later.

Students who are studying German, Statistics and Btec Sport will be issued a separate letter outlining the remaining revision classes and, in the case of sport, coursework to be completed.

Yours sincerely

Mr. S. Merifield

Principal

PS From time to time we have some students who benefit from having access to various items of uniform, and P.E. kit. If you feel you have no further need for your uniform/ P.E. kit I would very much appreciate it if you would donate it to the Academy. If that is the case please bring in to students services and/ or learning manager.
