

Dear Parent/Career

We have an amazing opportunity to create a portfolio of media to promote the hard work and positive attitude of our students.

This will involve photography and filming with in the Academy. These images may be published in both written forums, such as published in local or national newspapers and across digital media forums such as Gazette live and social media.

These images are likely to be created week commencing 14 October 2019, after the Academy day. The date will be confirmed via SMS message and via the Academy website. Students are expected to be in full uniform.

We will not use the personal details or full names (which means first name and surname) of any child alongside the photograph or video.

To comply with Data Protection, we need your permission before we can photograph or make any recordings of our students.

Yours Sincerely
