

Dear Parent/Guardian,

In April, we are hosting a virtual Information Evening for the parents/guardians of Outwood Academy Bishopsgarth to find out more about the NCS programme and how your teen can get involved in something positive this summer.

Date: 26th April 2022

Time: 6:30-7:30pm

Location: Zoom, please attend this event with your camera off and microphone on mute, there will be an opportunity to ask questions at the end.

Purpose: This event is for parents/guardians to attend with or without their teen to find out what is on offer to them this summer, this is a chance to ask us questions

Who is this event for? This is for parents/guardians and teens in Year 11 and 12. This event is not for those who are already signed up to the NCS programme, you will get the information you require at our Launch Event on the 4th May.

What is the NCS programme?

It's a 2 week experience which consists of a 5 day, 4 night residential made up of outdoor activities and life skills, plus a week based in the local area for a community project. The programme is for 16-17 year olds and is an opportunity to do something meaningful with their summer break, it is taking place on 4th, 11th and 25th July, although the 4th July is nearly sold out, you can miss a small proportion of the programme if you have prior commitments but this will need to be discussed. It's important for us to let you know that this is an inclusive programme and adaptations can be made for additional requirements, whether this be accessibility, dietary, religious, SEND requirements or anything else, just speak with us.

How much does the programme cost?

There is an exclusive offer for just the pupils at your school, this programme would usually cost you £50 to take part but instead it is costing you just **£10**; this includes transport, food, accommodation and activities.

If you would like to register your attendance for this Information Evening, or have any questions, please text or call Chloe on 07827839739, or email her at chloe.stewart@flyingfutures.org

You can also gather more information on the NCS programme by visiting wearencs.com where you can sign up online.

We hope to see you on the 26th April.

Warm wishes,

The Flying Futures NCS Team
