

Dear parent/carer,

Currently your child has been studying German at Outwood Academy Bishopsgarth. As we move into 9, and hopefully onwards into GCSE, your child has a choice about their future language learning with us.

- Your child can continue studying German and then have the option to continue with this language into GCSE, or;
- Your child can choose to switch and learn French and then have the option to choose either language at GCSE, or;
- If they have no real preference which language they learn, then we will be happy to choose for them and place them where we think they are most likely to succeed.

We would like to have your input in this process. Therefore, we would suggest you speak to your child before they complete **the Google Form**, which will be shared via google classroom.

As ever, we will aim to satisfy all students' needs but cannot guarantee it.

Google Forms are to be completed by Tuesday 10th May.

Yours faithfully,,

Karen Watson
Head of MFL
