

Dear all,

We are making some adjustments for the final week of term as a result of the current weather forecast.

Students are welcome to choose between:

a) wearing PE kit - black shorts, purple polo t shirt & trainers. Trainer socks or black PE socks can be worn

b) wearing an adjusted uniform - a white shirt (top button undone), no tie, uniform trousers or skirt, tights or socks if preferred. Blazers can be left at home.

We encourage students to wear sunscreen and a sun hat when outside but this must be removed inside the building. Students are also advised to bring a water bottle to school.

All students should wear a PE kit for Sports day on Thursday 21 July.

Yours faithfully,

Dr Robinson
Head of School
