

17 May 2023

Dear Parent/Carer,

Re: Year 10 Parents' Evening – Tuesday 23 May 3.30pm-6.00pm

When we return next half term your child will be facing upcoming mock examinations commencing the 19th June. These examinations are an important indicator of the progress your child is making half way through their GCSE courses. On Tuesday 23rd May, you are invited to a year 10 Parents' Evening where you and your child can discuss progress and actions with your child's teachers.

Each subject teacher will explain which areas of knowledge and skills your child has mastered and give guidance on areas for improvement. This will enable you to encourage your child at home and support them to achieve their full potential. We will also offer you and your child the opportunity to discuss with key members of staff the expectations of Year 11.

During this evening there will be an opportunity for you to find out how you can support your child effectively through Year 11 at home in terms of building independent study habits, encouraging attendance at academic enrichment, and finding out about the key events next year.

This is a vital time in your child's education and we strongly encourage you to attend this Parents' Evening to discuss your child's progress. If you cannot attend please contact the academy via the email address enquiries@bishopsgarth.outwood.com and we will schedule an appointment for you to have a telephone update on your child's progress.

Please complete the online booking to secure your appointments. **Please note this is a face to face evening.** Appointments will be available to book from 8.00am on Wednesday 17th May. You will need to access the following link to book appointments:

<https://outwoodbishopsgarth.schoolcloud.co.uk/>

I have included a guide for booking which is linked below. Should you have any difficulty completing this please contact enquiries@bishopsgarth.outwood.com to obtain booking assistance.

Thank you for your support and we look forward to meeting with you.

Yours faithfully,

Mr Jason Rhodes
Head of School
