Dear Parent/Carer,

Re: Year 11 and 10 Parents' Evening – Tuesday 17 January 3.30pm-6.00pm

Recently, your child sat formal, internal assessments in the vast majority of their subjects, and as you are aware they are facing upcoming examinations. On Tuesday 17th January, you are invited to a Year 11 and 10 Parents' Evening where you and your child can discuss progress and actions with your child's teachers. Year 11 students will have received their mock exam results prior to the Christmas break and Year 10 parents will have received their first Key Stage 4 report which includes GCSE grades.

Each subject teacher will explain which areas of knowledge and skills your child has mastered and give guidance on areas for improvement. This will enable you to encourage your child at home and support them to achieve their full potential. Parents and students of both year groups will be invited to 'Revisionfest' on Tuesday 24th January 2023 in preparation for external examinations they are due to sit.

In addition, there will be a range of further education providers for you to speak to as well as our careers advisor.

This is a vital time in your child's education and we strongly encourage you to attend this Parents' Evening to discuss your child's progress. Year 11 students will sit a final mock examination series in March with the first exams in the summer taking place in early May. If you cannot attend please contact the academy via the email address enquiries@bishopsgarth.outwood.com and we will schedule an appointment for you to have a telephone update on your child's progress.

Please complete the online booking to secure your appointments. **Please note this is a face to face evening.** Appointments will be available to book from 8.00am on Friday 6th January. You will need to access the following link to book appointments:
