

22nd September 2023

Attendance

Punctuality is a key attribute to have in the world of work. Being on time for school is the start of this journey. Students are expected to be in their tutor room for 8.25am every day. The Academy provided details of the procedures for students arriving late after the morning register has closed in the summer. This can be found [here](#).

Reporting attendance absence can be done via email: attendance@bishopsgarth.outwood.com.

MacMillan Coffee Morning

This week Y7 held a coffee morning in aid of Macmillan Cancer Support. Staff, students and the wider community donated items for us to sell. Our Y7 singing group gave their first performance and were outstanding. We are very proud of them; they epitomise all of the qualities that we are trying to develop in our young people. Our running total is currently at approximately £180, we will share our final total via social media once it has been counted. Parents and carers came to support the event and we thank them for their ongoing support. We look forward to continuing to develop opportunities for our students to shine and building on our relationship with the wider community.
