

20 October 2021

Dear Parents / Carers,

As our first half term of the academic year draws to an end when school closes, on Thursday 21 October, I would like to take the opportunity to thank you for your support since we returned to school in September. There has been much to celebrate already this year and I do encourage you to follow our students' achievements on our Facebook and Twitter pages.

This letter accompanies your child's Praising Stars report, which provides you with an update on their effort and progress in lessons. Please do not hesitate to contact your child's Learning Manager in the first instance if you have any questions about your child's progress in school. Further details about parents' evenings during this academic year will be shared after the half term holiday.

We continue to remain vigilant to ensure our school community remains safe during the Covid pandemic. Students should continue to carry out lateral flow device tests twice weekly, and replacement tests are available for collection from reception.

We look forward to welcoming our students back to school on Monday 1 November, arriving in full uniform before 8.20am.

I wish our whole school community a very well earned rest over the half term holiday. I know you will want to join me in thanking every member of our staff team for their commitment and professionalism throughout the past half term.

Yours faithfully,

Mark Robinson
Head of School
